## Motor Accident Claims Online (MACO)

The screenshot shows a mobile device displaying the MACO website. At the top, there's a header with the SAL logo and the text "MAKING SAFETY A LIFESTYLE". Below this is a banner for "MOTOR ACCIDENT CLAIMS ONLINE (MACO)". The banner text reads: "Motor Accident Claims Online (MACO) helps you make informed decisions about motor accident claims". Underneath, a red section titled "WHAT YOU CAN DO WITH MACO" lists three items: "Simulate an accident scenario", "Find out which party is likely to be at fault", and "Find out the estimated amount of damages you can get from your injuries". At the bottom of the screen, there's a QR code and a link: "For more information on MACO, please visit <https://www.courtaccidents.lawnet.ag>".
